Dear Mr. King:

Re: Reclamation Surety, Continental Lime, Incorporated, Cricket Quarry, M/027/006,
Millard County, Utah

Thank you for sending the Division the surety bond for \$179,000 (bond _____) to cover the Cricket Quarry mine site. We need to obtain approval from our Board of Oil, Gas and Mining before finalizing acceptance of the surety and will need some more information from Continental Lime before proceeding.

Please find enclosed with this letter, a Reclamation Contract form which we will need to have filled out by Continental Lime. The Reclamation Contract and Reclamation Surety Bond will be submitted to our Board at our August 23, 1990 hearing date. We will need to have the signed Reclamation Contract back in this office by August 6, 1990 in order to make the August 23, 1990 hearing date.

The information you requested for the surety bond form is January 6, 1981 for approval date and 37 acres for area of disturbance. I have entered some of the information you will need on the Reclamation Contract. Please fill out the rest.

The previous bond for \$38,020, with Fireman's Fund Insurance will be returned to Continental Lime as soon as the current bond is approved by our Board.
